## Top Five Things to Do Right Now in MY4

1. Leverage the power of incentives – everywhere you can
2. Get the right data in front of the right people at the right time
3. Scale rapid cycle improvement techniques across the system
4. Stand behind the mission and inspire innovation
5. Plan for sustainability post DSRIP

## DSRIP Year 3 Theme

# Design the Platform for Constant Design

## DSRIP Payment Updates

1. DOH and CMS have resolved the technical issues around payment calculations in Attachment I
2. DY2 Payment 2 is scheduled for late July
3. DY2 Payment 1 reconciliation will be completed by early August
