<p>Aetna (Commercial, Medicare Advantage, Medicaid)</p>	<p>Updated 10/8/20: Commercial plans: As of 6/4/20, Aetna commercial plans are no longer offering cost-sharing waivers for medical care delivered via telemedicine. However, Aetna will waive cost-sharing for covered in-network telemedicine visits for outpatient behavioral and mental health counseling services, effective through 12/31/20. Self-insured plans offer this waiver at their own discretion.</p> <p>Student Health Plans: Cost-sharing is waived for any in-network covered medical or behavioral health services telemedicine visits until 12/31/20.</p> <p>Medicare Advantage plans: Aetna MA plans are waiving cost-sharing for in-network primary care and specialist telehealth visits, including outpatient behavioral and mental health counseling services, effective through 12/31/20:</p> <ul style="list-style-type: none"> • Cost sharing is waived for all Teladoc® virtual visits. • Cost sharing will also be waived for covered real-time virtual visits (live videoconferencing or telephone-only telemedicine services). • MA members may use telemedicine for any reason, not just COVID-19 diagnosis. <p>Medicaid plans: Aetna refers providers to follow State guidance.</p>	<p>Coverage of Telephonic-only services: Commercial plans will continue to cover limited minor acute care evaluation and care management services, as well as some behavioral health services, rendered via telephone, effective until at least 12/31/20 (for more details, refer to the billing and reimbursement details for telephone-only services in the next column at right.)</p>	<p>Telemedicine:</p> <ul style="list-style-type: none"> • For commercial members, non-facility telemedicine claims must use the Place of Service (POS) code 02, appended with the GT or 95 modifier. These claims will be reimbursed at the same rate as a face-to-face office visit. Facilities should continue to use their respective POS codes. The list of approved behavioral health telemedicine services is listed here. • For Medicare members, claims can be coded with POS 02 or POS 11 or the POS equal to what it would have been had the service been furnished in-person. These claims also must be appended with the 95 modifier and will be reimbursed at the same rate as an in-person service. <p>Telephone-only services: Rates for telephone only services 99441 – 99443 were set to equal the rates for 99212 – 99214 (e.g. 99441 is set to equate to 99212), which was effective until 9/30/20. <p>Beacon Health Options (Commercial, Medicare, Medicaid)</p>	<p>Updated 9/9/20 Commercial plans: Effective 3/16/20 to 11/9/20, Beacon has suspended cost-sharing for commercial members, for in-network telehealth visits, regardless of whether the visit is related to COVID-19. Providers should not collect any payments (deductibles, copayments, or coinsurance) from Beacon members.</p> <p>Essential workers: Cost-sharing for outpatient mental health visits delivered to essential workers, regardless of whether the services are provided via telehealth, is effective through 11/27/20 unless further extended.</p>	<p>For ACT, PROS, Adult CDT, PHP, and HCBS services: If provider cannot meet pre-COVID-19 minimum time standards but are able to meet new COVID-19 minimum time standards, providers can still bill for the service, by billing the base code, base modifier(s) and adding the Crisis Response (CR) modifier along with either the GT or 95 modifier.</p> <p>For Medicaid OTP services, Beacon directs providers to refer to OASAS guidance. Beacon’s OTP COVID-19 emergency rate codes are detailed in this FAQ (page 8). Beacon has established new fee schedules to reflect the rate codes, which will remain in place for Medicaid lines of business until OASAS discontinues use.</p>	<p>Effective 8/1/20, Beacon requires providers to bill with appropriate telehealth modifiers, POS codes, and CPT codes to ensure that cost-sharing is waived appropriately. During the declared emergency, providers must use the GT or 95 modifiers for either telephonic OR video provision of services, despite the modifier definitions requiring video. Rates of payment for services delivered via telehealth/telephone will be the same as if the services were provided face-to-face. The place of service (POS) code should reflect the location where the practitioner is physically located when the telephonic service was rendered to the member (e.g., office POS 11, home 12, Outpatient department (OPD) 22).</p> <p>For Medicare-specific billing guidance, Beacon directs providers to refer to CMS guidance here.</p>	<p>Commercial plans: Cost-sharing for telehealth visits are waived, effective 3/16/20 to 11/9/20</p>	<p>New York Telehealth FAQ, (last updated 9/11/20)</p>
<p>Cigna (Commercial, Medicare Advantage)</p>	<p>Updated 8/27/20: Commercial Individual and Family Plans (IFP): Customer cost-sharing is waived for certain virtual services, including quick telephonic consult services for both COVID-19 and non-COVID-19 related services, through at least 10/31/20. Cost-sharing waivers are not available for non-COVID-19-related virtual visits (e.g. telehealth). Cigna will also waive cost-sharing for both COVID-19 and non-COVID-19 eConsults, effective for dates of service from 3/2/20 to at least 12/31/20.</p> <p>For other Cigna commercial plans (i.e. employer-sponsored plans): Customer cost-sharing applies for non-COVID-19 services. Cost-sharing waivers for COVID-19 services are currently scheduled to end 10/31/20.</p> <p>Medicare Advantage plans: Customer cost-sharing is waived for non-COVID-19 related telehealth services when performed by an in-network provider, effective from 6/1/20 to 12/31/20. Customer cost-sharing applies for non-COVID-19 services received prior to 6/1/2020.</p>	<p>For Commercial IFP plans: The following virtual care services are covered until 12/31/20:</p> <ul style="list-style-type: none"> Virtual screening telephone consults (5-10 minutes) for both COVID-19-related screenings and non-COVID-19 related services, using code HCPCS G2012. Cost-sharing is waived until at least through 10/31/20. Virtual visits for screenings for suspected or likely COVID-19 exposure using appropriate ICD-10 codes and modifiers. Cost-sharing is waived, with no effective end date. Virtual treatment of a confirmed COVID-19 case, effective for dates of service on or after 2/4/20. ICD-10 code U07.1 must be billed to waive cost-sharing, with no effective end date. <p>Non-COVID-19 Telehealth visits: While Cigna commercial IFP plans will cover non-COVID-19 virtual visits (e.g. telehealth) until 12/31/20, standard cost-sharing still applies for these visits, whether delivered by a provider or through a virtual vendor (e.g. Amwell or MDLive).</p>	<p>For Commercial IFP Plans: Cigna will allow providers to bill a standard face-to-face visit for all virtual care services, including those not related to COVID-19, through at least 12/31/20. Providers should bill using a face-to-face code with the appended GQ, GT or 95 modifier and the Place of Service (POS) code that would be typically billed if the service were provided face-to-face. Services can be provided by phone, video, or both phone and video.* Providers will be reimbursed consistent with their typical face-to-face rates.</p> <p>*While telephonic sessions are not typically covered in accordance with Cigna’s Medical Necessity Criteria, providers in the interim period may deliver telephonic-only sessions to patients who do not have access to technology to participate in telehealth sessions, as appropriate.</p> <p>eConsults: Cigna will allow eConsults when billed with codes 99446-99452 for all conditions, effective for dates of service from 3/2/20 to at least 12/31/20.</p>	<p>Commercial IFP plans: All virtual care services are covered, effective through 12/31/20. Cost-sharing is waived for quick telephonic consults until at least 10/31/20. Cost-sharing is waived for eConsults for all conditions from 3/2/20 to 12/31/20.</p> <p>Medicare Advantage plans: Customer-cost sharing for non-COVID-19 telehealth services are waived from 6/1/20 until 12/31/2020.</p>	<p>COVID-19 Interim Billing guidance for Providers for Cigna Commercial Customers, (last updated 8/27/20)</p> <p>COVID-19 Interim Guidance for Behavioral Health Providers</p> <p>COVID-19 Medicare Advantage Billing and Authorization Guidelines (updated 7/24/20)</p>

<p>Affinity (Medicaid)</p>	<p>Affinity’s systems are configured to eliminate all member cost sharing for telemedicine (no effective dates are provided).</p>	<p>Telephonic communication is being covered as a Medicaid managed care benefit, per DOH guidance. Affinity’s delegated behavioral health services vendor, Beacon, has also confirmed they will be following the same directive.</p>	<p>Affinity is reimbursing telemedicine (i.e. two-way electronic audio-visual communications) based on the same established CPT codes and rates as face-to-face appointments. Affinity’s delegated behavioral health services vendor, Beacon, has confirmed they will be doing the same. Telemedicine can be billed with CPT codes like 99201 plus the applicable modifier.</p> <p>Telephonic services (two-way audio communications to deliver healthcare services) and are only billed with three specific CPT codes, without modifiers: 99441, 99442 and 99443.</p>	<p>Affinity is following DOH guidance and effective dates (3/1/20 through the State Disaster Emergency, currently ending 11/3/20 pending further extension.)</p>	<p>Provider Telemedicine COVID-19 Q&A (Spring 2020 Newsletter)</p> <p>Updated Telehealth Guidance (May 2020)</p>
<p>Emblem Health (Commercial, Medicaid, Medicare Advantage)</p>	<p>Commercial Plans: These members will have no cost-sharing (including copayments, coinsurance, or deductibles) for in-network telehealth visits conducted through 11/9/20.</p> <p>Medicare Plans: The telehealth cost-sharing waiver has expired for Medicare members. Providers may begin collecting member cost shares for dates of services beginning 9/10/20.</p> <p>Medicaid Plans: EmblemHealth guidance does not provide information on telehealth cost-sharing policies for its Medicaid members.</p> <p>Teladoc: Members with a benefit plan that includes the Teladoc™ program will also have no cost-sharing for Teladoc visits through 12/31/20. Note: The telehealth cost-sharing waiver may not apply to ASO plans.</p>	<p>For all its members (i.e. commercial, Medicaid, and MA), EmblemHealth is:</p> <ul style="list-style-type: none"> •Waiving CMS and state-based originating site restrictions so that in-network providers can bill for services that are performed while a patient is at home; and •Extending the telehealth benefit to allow providers to see new patients. New patient codes require all three key elements (history, exam, and medical decision making) to be performed for new patient visit codes to be assigned. •Including visits by phone, virtual check-in, or virtual visit via Skype, FaceTime, or other video exchange as telehealth services. <p>EmblemHealth will reimburse telephone (audio only) services (which do not fall under the definition of telehealth under NYS law) for its commercial, Medicaid, and MA plan members. For billing guidance, please refer to the billing and reimbursement details to the right.</p>	<p>Telehealth services will be reimbursed based on national reimbursement determinations, policies and contracted rates as outlined in a care provider’s participation agreement.</p> <p>Prior to the Public Health Emergency temporary change, telehealth services were required to be billed with POS 02. During the emergency, Emblem is suspending this requirement and in order to identify telehealth or telephone (audio only) services that were historically performed in the office or other in person setting (E.g. POS 11, 19 and 22), modifier GT or 95 must be used instead. POS code 02 will reimburse at traditional telehealth rates.</p> <p>To bill telephone (audio-only), use audio-only CPT codes 98966-98968 and 99441-99443, which do not require telehealth modifiers to be reported.</p>	<p>Telehealth cost-sharing waivers are effective for:</p> <ul style="list-style-type: none"> • Commercial plans, effective through 11/9/20. • Teladoc visits (for members with a benefit plan that includes Teladoc), effective through 12/31/20. 	<ul style="list-style-type: none"> • September Newsletter • Emblem COVID-19 Update (updated 9/9/20) • Temporary Telehealth Policy, Applicable Procedure Codes, and FAQ (opens as a .pdf) - updated 8/28/20 • Telehealth FAQ

Through Teladoc, members can access 24/7 online care by phone or video, from board-certified, NY State-licensed doctors. Note: Fidelis Care QHP members continue to have access to telehealth services through the Teladoc and Babylon apps, at no cost. The Telehealth benefit is the same, no matter the app.</p> <p>Behavioral health services: Fidelis Care’s telehealth coverage and reimbursement approach also applies to its network of participating behavioral health providers, including all individual behavioral health practitioners currently contracted with Fidelis as well as facilities delivering OMH and OASAS licensed programs. Providers must follow continued guidance from their respective licensing authorities, and any questions on these forms or waiver approvals should be directed to the respective OMH and OASAS contacts indicated on the forms. Fidelis Care does not require the submission of any additional documentation, contracting documents, or forms from OMH or OASAS providers in order to reimburse for telehealth claims.</p>	<p>Coverage: Fidelis Care is following CMS guidance that permits reimbursement for telehealth services with dates of service on or after 3/1/20 for the duration of the federal Public Health Emergency (set to expire 1/21/21 pending further extension) using the POS code equal to what it would have been had the service been furnished in person (such as POS 11 for office setting) and the appropriate telehealth modifier indicating that the service rendered was performed via telehealth. The CMS guidance is available here.</p> <p>Cost-sharing: Effective 3/1/20, providers rendering care via telehealth are responsible for ensuring any copays, coinsurance, or deductible charges are waived for Fidelis Care members at the time of telehealth services, and claims will be adjusted to reflect provider payments with \$0 member liability upon processing.</p> <p>Medicaid Billing: New York State Medicaid has issued comprehensive telehealth updates available here. While Fidelis Care is aligned with coverage described in this update, including aligning with expanded definitions and parameters related to telehealth, Fidelis Care states that the coding and reimbursement referenced in the update is not relevant to their claims processing requirements. Providers’ existing contract defining services and rates continue to prevail for the same services rendered through the telehealth modality.</p>	<p>Medicare Advantage: Cost-sharing is waived for in-network telehealth and virtual visits from 7/1/20 to 12/31/20.</p> <p>Other Product Lines: Cost-sharing is waived effective 3/1/20 with no end date specified.</p>	<p>Important Updates Regarding COVID-19 – (https://www.fideliscare.org/Provider?id=303) last updated 8/28/20</p> <p>Update on MA Cost-Sharing – (https://www.fideliscare.org/Provider?id=337) posted 6/24/20</p> <p>Provider Manual, Section 2 (link opens as a .pdf file).</p>
