

Dyadic Therapy Services

Category	Information
Service Name	Dyadic Therapy Services
Service Description	<p>This service covers the delivery of dyadic therapy to benefit a child/adolescent at risk for or with an attachment disorder, a behavioral or conduct disorder, a mood disorder, an obsessive-compulsive disorder, post-traumatic stress disorder, or as a diagnostic tool to assess for the presence of these disorders. This service only covers therapy provided to the parent or caregiver of a Pilot enrolled child to address the parent's or caregiver's behavioral health challenges that are negatively contributing to the child's well-being.</p> <p>This is not a group-based therapy. Sessions are limited to the parent(s) or caregiver(s) of the child/adolescent. Treatments are based on evidence-based therapeutic principles (for example, trauma-focused cognitive-behavioral therapy). When appropriate, the Pilot enrolled child should but is not required to receive Medicaid-covered behavioral health or dyadic therapy services as a complement to this Pilot service.</p> <p>This service aims to support families in addressing the sequelae of adverse childhood experiences and toxic stress that may contribute to adverse health outcomes.</p>
Frequency <i>(if applicable)</i>	As needed
Duration <i>(if applicable)</i>	As needed, contingent on determination of continued Pilot eligibility
Setting	Services may be delivered in a range of locations, including but not limited to at a provider's location or in the recipient's home.
Minimum Eligibility Criteria	<ul style="list-style-type: none"> • The covered individual is 21 years old or younger • The parent or caregiver recipient of this service cannot be eligible to receive this service as a Medicaid covered service. • The covered individual is at risk for or has a disorder listed above that can be addressed through dyadic therapy directed at the covered individual's parent or caregiver, delivered together or separately, that is not otherwise covered under Medicaid. • Services are authorized in accordance with PHP authorization policies, such as but not limited to service being indicated in the enrollee's person-centered care plan. • Enrollee is not currently receiving duplicative support through other federal, state, or locally-funded program.

Food Services

Food and Nutrition Access Case Management Services

Category	Information
Service Name	Food and Nutrition Access Case Management Services
Service Description	Provision of one-on-one case management and/or educational services to assist an enrollee in addressing food insecurity. Activities may include:

Category	Information
	<ul style="list-style-type: none"> • Assisting an individual in accessing school meals or summer lunch programs, including but not limited to: <ul style="list-style-type: none"> ○ Helping to identify programs for which the individual is eligible ○ Helping to fill out and track applications ○ Working with child’s school guidance counselor or other staff to arrange services • Assisting an individual in accessing other community-based food and nutrition resources, such as food pantries, farmers market voucher programs, cooking classes, Child and Adult Care Food programs, or other, including but not limited to: <ul style="list-style-type: none"> ○ Helping to identify resources that are accessible and appropriate for the individual ○ Accompanying individual to community sites to ensure resources are accessed • Advising enrollee on transportation-related barriers to accessing community food resources <p>It is the Department’s expectation that Medicaid care managers will assist all eligible individuals to enroll in SNAP and WIC and secure their enrollment through existing SNAP and WIC assistance resources. Food and Nutrition Access Case Managers will address more complex and specialized needs. However, if under exceptional circumstances a Food and Nutrition Access Case Manager identifies an individual for whom all other forms of assistance have been ineffective, they are permitted to assist the individual with completing enrollment, including activities such as addressing documentation challenges or contacting staff at a local SNAP or WIC agency to resolve issues, or otherwise.</p>
Frequency <i>(if applicable)</i>	Ad hoc sessions as needed. It is estimated that on average individuals will not receive more than two to three sessions with a case manager.
Duration <i>(if applicable)</i>	N/A
Setting	<ul style="list-style-type: none"> • May be offered: <ul style="list-style-type: none"> ○ At a community setting (e.g. community center, health care clinic, Federally Qualified Health Center (FQHC), food pantry, food bank) ○ At an enrollee’s home (for home-bound individuals) ○ Via telephone or other modes of direct communication
Minimum Eligibility Criteria	<ul style="list-style-type: none"> • Services are authorized in accordance with PHP authorization policies, such as but not limited to service being indicated in the enrollee's person-centered care plan. • Enrollee is not currently receiving duplicative support through other Pilot services. • Enrollee is not currently receiving duplicative support through other federal, state, or locally-funded programs.

Evidence-Based Group Nutrition Class

Category	Information
Service Name	Evidence-Based Group Nutrition Class
Service Description	<p>This service covers the provision of an evidence-based or evidence-informed nutrition related course to a group of individuals. The purpose of the course is to provide hands- on, interactive lessons to enrollees, on topics including but not limited to:</p> <ul style="list-style-type: none"> • Increasing fruit and vegetable consumption • Preparing healthy, balanced meals • Growing food in a garden • Stretching food dollars and maximizing food resources <p>Facilitators may choose from evidence-based curricula, such as:</p> <ul style="list-style-type: none"> • Cooking Matters (for Kids, Teens, Adults)¹¹ • A Taste of African Heritage (for Kids, Adults) ¹² <p>For curricula not outlined above, an organization must follow an evidence-based curricula that is approved by DHHS, in consultation with the Lead Pilot Entity and PHPs.</p>

Fruit and Vegetable Prescription

Category	Information
Service Name	Fruit and Vegetable Prescription
Service Description	<p>Food voucher to be used by an enrollee with a diet or nutrition-related chronic illness to purchase fruits and vegetables from a participating food retailer. Participating food retailers must sell an adequate supply of WIC-eligible fruits and vegetables (i.e., fresh, frozen, canned without any added fats, salt, or sugar). Food retailers may include but are not limited to:</p> <ul style="list-style-type: none"> • Grocery stores • Farmers markets • Mobile markets

¹³ CDC Diabetes Prevention Program Standards and Operating Procedures, available at: <https://www.cdc.gov/diabetes/prevention/pdf/dprp-standards.pdf>

¹⁴ Available at: <https://www.cdc.gov/prediabetes/takethetest/>

Category	Information
	<ul style="list-style-type: none"> Community-supported agriculture (CSA) programs Corner stores <p>A voucher transaction may be facilitated manually or electronically, depending on the most appropriate method for a given food retail setting. The cost associated with coordinating service delivery is included in the service rate. See Fee Schedule chart footnote for more information.</p>
Frequency <i>(if applicable)</i>	One voucher per enrollee. Each voucher will have a duration as defined by the HSO providing it. For example, some HSOs may offer a monthly voucher while others may offer a weekly voucher.
Duration <i>(if applicable)</i>	6 months (on average), contingent on determination of continued Pilot eligibility
Setting	Enrollees spend vouchers at food retailers. Human service organizations administer and coordinate the service in a variety of settings: engaging with enrollees in the community (e.g. health care and community-based settings) to explain the service, administering food retailer reimbursements and other administrative functions from their office, and potentially meeting with food retailers in the field.
Minimum Eligibility Criteria	<ul style="list-style-type: none"> Enrollee has a diet or nutrition-related chronic illness, including but not limited to underweight, overweight/obesity, nutritional deficiencies, prediabetes/diabetes, hypertension, cardiovascular disease, gestational diabetes or history of gestational diabetes, history of low birth weight, or high risk pregnancy. If potentially eligible for SNAP and/or WIC, the enrollee must either: <ul style="list-style-type: none"> Be enrolled in SNAP and/or WIC, or Have submitted a SNAP and/or WIC application within the last 2 months, or Have been determined ineligible for SNAP and/or WIC within the past 12 months Services are authorized in accordance with PHP authorization policies, such as but not limited to service being indicated in the enrollee’s person-centered care plan. Enrollee is not currently receiving duplicative support through other federal, state, or locally-funded programs.

Healthy Food Box (For Pick-Up)

Category	Information
Service Name	Healthy Food Box (For Pick-Up)
Service Description	A healthy food box for pick-up consists of an assortment of nutritious foods provided to an enrollee in a community setting, aimed at promoting improved nutrition for the service recipient. It is designed to supplement the daily food needs for food-insecure individuals with diet or nutrition-related chronic illness. This service does not constitute a full nutritional regimen (three meals per day per person).

Category	Information
	Healthy food boxes should be furnished using a client choice model when possible and should be provided alongside nutrition education materials related to topics including but not limited to healthy eating and cooking instructions.
Frequency <i>(if applicable)</i>	Typically weekly
Duration <i>(if applicable)</i>	On average, this service is delivered for 3 months. Service would continue until services are no longer needed as indicated in an individual's person-centered care plan.
Setting	<ul style="list-style-type: none"> Food is sourced and warehoused by a central food bank, and then delivered to community settings by the food bank. Food is offered for pick-up by the enrollee in a community setting, for example at a food pantry, community center, or a health clinic.
Minimum Eligibility Criteria	<ul style="list-style-type: none"> Enrollee has a diet or nutrition-related chronic illness, including but not limited to underweight, overweight/obesity, nutritional deficiencies, prediabetes/diabetes, hypertension, cardiovascular disease, gestational diabetes or history of gestational diabetes, history of low birth weight, or high risk pregnancy. If potentially eligible for SNAP and/or WIC, the enrollee must either: <ul style="list-style-type: none"> Be enrolled in SNAP and/or WIC, or Have submitted a SNAP and/or WIC application within the last 2 months, or Have been determined ineligible for SNAP and/or WIC within the past 12 months Services are authorized in accordance with PHP authorization policies, such as but not limited to service being indicated in the enrollee's person-centered care plan. Enrollee is not currently receiving duplicative support through other federal, state, or locally-funded programs.
